

Notes for Youtube clip: **"We Still Live Here: Âs Nutayuneân"**

First Viewing:

Write down thoughts and ideas that came to your mind as you watched this video.

Please turn over

Second Viewing:

Answer the following questions, as best you can, after watching the film the first time.

Describe the problems faced by members of the Wampanoag nation face when asked, "Are you an Indian?"

What is a tribe, in your view?

What has been a challenge of identity for members of the Wampanoag nation?

In general What is the significance of a family tree?

For someone from the Wampanoag nation?

For someone whose family came on the *Mayflower*?

Describe how you might feel if someone asked YOU: "What are you?" What does that question mean TO YOU?

What questions do you have about what you saw?
